SkyTel Postpaid Plans Guide

Monthly plans, billing cycle and how to switch

Overview

With a SkyTel postpaid plan you use your number during the month and receive one bill at the end of the cycle. Billing is monthly, and taxes may apply as shown on the invoice. Both plans include unlimited local calls and 100 SMS per day.

Plan comparison

Feature	Basic Postpaid	Plus Postpaid
Monthly price	₹399 per month	₹599 per month
Data	50 GB	100 GB
Calls	Unlimited local calls	Unlimited local calls
SMS	100 SMS per day	100 SMS per day
Approximate price per GB	₹7.98	₹5.99
Unused data rollover	Not available	Up to 20 GB rolls over to the next cycle
Itemised bill	Yes	Yes

Plus Postpaid costs less per GB and doubles the data of Basic Postpaid for ₹200 more per month.

Your bill

- The bill is generated on the same date every month.
- The payment due date is 15 days after the bill is generated.
- If payment is still overdue after the due date, a late fee of ₹100 can be added to the next bill.
- Your first bill can include prorated charges if you joined partway through a cycle.
- Add-on packs bought on a postpaid number are added to the next bill.
- You can pay in the SkyTel app, on the website, by UPI, card or net banking, or at a SkyTel store.

Starting a postpaid connection

- Documents needed: a government photo ID, an address proof and a recent photograph.
- Identity verification is completed at a SkyTel store or through the official verification flow.
- A credit check can apply for new postpaid customers.
- Existing prepaid customers can move to postpaid at a store and keep the same number.

Data usage and speed

When the monthly data allowance is used, speed is reduced to up to 64 kbps until the next bill cycle begins. To get more data before then, ask SkyTel support or a store about the available options.

Changing your plan

A change between Basic Postpaid and Plus Postpaid takes effect from the next bill cycle. To request a change, contact SkyTel support at 1800-000-0000 or visit a store. Online assistants can explain the options but cannot submit the change.
